**ANNOUNCEMENT OF AN OPEN CALL
FOR PROJECTS FOCUSED ON ITMO'S CORE TECHNOLOGIES
(M-PLATFORM PROJECTS)**

As part of ITMO University's Development Strategy for 2021-2030, ITMO University announces the open call for projects focused on ITMO's core technologies (M-platform projects) to be supported via funding from the Priority 2030 program.

The **main aim of this open call** is the selection and support of projects focused on ITMO's core technologies (M-platform projects) and meant to contribute to the goals of ITMO's 2030 Development Strategy. The ultimate goal of such projects should be to integrate the university's research and educational activities into its technological and innovative initiatives, as well as develop partnerships with organizations working in the real sector of the economy and other partners. The top priority here is the development of **core technologies** that would allow ITMO to enter prospective high-tech markets by launching science-intensive full-TRL projects and implementing their results by establishing new cooperative chains.

Teams made up of representatives of ITMO University and partner organizations, as well as students of ITMO University and other universities worldwide, **can take part** in the open call if they correspond to the requirements of the tender specifications.

You can find more **information on the open call**, as well as the **tender specifications**, on the official website <https://2030.itmo.ru/en>.

Application deadline: November 25, 2021, 5 PM (MSK)

Applications are to be submitted online on the official website of ITMO's 2030 Development Strategy <https://2030.itmo.ru/en>. All requirements are established in tender specifications.

Open defenses of projects that have passed the expert evaluation procedure as per the tender specifications will be held no later than **December 9, 2021**.

Information on the results of the selection will be published at ITMO's 2030 Development Strategy website <https://2030.itmo.ru/en> no later than **December 13, 2021**.

The Development Strategy Board is responsible for organizational, technological, informational, methodological, and analytical support of the open call for projects. **Contact info:** +7 (812) 457-18-07 (internal number 4401); email priority2030@itmo.ru.
